A Legacy of Trust, A Future of Possibilities

This year marks a remarkable milestone for Dale International Trust Company Limited, 25 years of delivering expert fiduciary, corporate, and financial services. Since its inception in 2000, Dale has built a solid reputation as a trusted partner, guiding clients across the globe with professionalism, integrity, and a forward-looking vision. Our vision is to remain

an owner managed premier provider of fiduciary and corporate services, rooted in trust, driven by innovation, and committed to building long-term value for our clients and partners. Dale is a proud member of the XLNC international alliance, ensuring clients benefit from global perspectives with local expertise.

At the helm of Dale's journey are our directors and shareholders, who all have visionary leadership which have been instrumental in shaping the company's success. Dale has grown exponentially, while remaining firmly anchored in its values of transparency, reliability, and excellence. Dale fosters a collaborative, inclusive, and performance-driven work environment where every team member is empowered to deliver exceptional service. This culture of accountability and care has cultivated long-lasting client relationships and a strong internal team spirit. At Dale, our clients are more than just account numbers, they are business partners. We take the time to understand each client's unique needs and deliver solutions that are responsive, discreet, and results driven. Our client centric approach has earned us trust across continents and industries.

In line with its evolving identity and vision for the future, Dale has recently undergone a full rebranding, reflecting a more modern, dynamic, and client-focused image. As part of this transformation, Dale has also relocated its head office to the prestigious Two Tribeca Tower. This move not only enhances operational efficiency, but also provides clients and partners with a more accessible and contemporary environment, symbolising Dale's continued commitment to progress, innovation, and excellence.

Rajsing Gopaul
Managing Director

Dale, your Trusted Partner

As Dale International Trust Company Limited celebrates its 25th anniversary, I find myself reflecting not only on the company's incredible journey but also on my own path within this extraordinary organisation.

I joined Dale ten years ago as Financial Manager, driven by a desire to contribute to a company known for its integrity, professionalism, and unwavering client service. From the very first day, it was clear that Dale was more than a workplace, it was a community. The culture here fosters accountability, collaboration, and a genuine care for both our clients and colleagues. It's a place where your ideas are valued and where growth is nurtured.

Over the years, I've had the privilege of growing alongside the firm. In 2022, I was appointed Financial Director, a milestone that was both humbling and motivating. This role has deepened my involvement in shaping the company's financial strategy, ensuring our operations remain robust, compliant, and aligned with our long-term vision. Working closely with our leadership team, I've witnessed firsthand the dedication that goes into ensuring we continue to deliver excellence and value to our clients.

At the heart of Dale's success is our mission: to deliver tailored fiduciary, trust, and corporate services with an unwavering commitment to integrity, confidentiality, and excellence. We don't believe in a one-size-fits-all approach. Our clients come from diverse

backgrounds and jurisdictions, and each relationship is built on understanding their unique needs and aspirations. That level of personalised service is what has set Dale apart for 25 years, and continues to define us today.

Our people are the soul of this organisation. The professionalism, resilience, and loyalty of our team are truly remarkable. The camaraderie and mutual respect across departments make Dale not only an efficient company but also a deeply human one. We celebrate milestones together, support one another through challenges, and strive constantly for excellence – together.

As we commemorate 25 years of service, I am filled with gratitude to the shareholders and board of directors, my colleagues who support me, and the clients who place their trust in us. Dale has built a legacy of trust and dependability, and I am proud to have contributed to that legacy.

Looking forward, we remain committed to innovation, integrity, and international standards of excellence. With our solid foundation and passionate team, I have no doubt that the next 25 years will be even more impactful.

Here's to Dale International Trust Company Limited, to its people, its purpose, and its promise.

Rakesh Sharma Rajcoomar

Financial Director

As we are celebrating the 25 years of existence of Dale International Trust Company Limited this August 2025, I must say that I really feel proud to have joined Dale's family 19 years ago. It has been a long and fruitful journey. I am lucky to find the right career path by choosing to work at this company. There have been many ups and downs and challenges to overcome over these 19 years of course, but I am still determined to persevere in helping the company to grow successfully. From the beginning, I was encouraged to grow, to challenge myself, and to contribute to the company's progress. That culture of trust and empowerment has been central to my journey and is something I now take pride in passing on to others.

My journey at the company started in January 2006 as an Administrator and has since taken me through several key roles, including Senior Administration Officer, Assistant to Compliance Officer, Compliance Manager, Deputy Chief Operating Officer and Chief Operating Officer, Operational Manager, Compliance Officer & Reporting Officer at RV&BEP Services Ltd (Sister company of Dale Trust) in Seychelles for 3 years, and now, Operations Director at Dale International Trust Company Limited.

Whilst the Company is celebrating its silver jubilee, I have and am still witnessing the remarkable growth of the company and my own professional development alongside

it. Reaching this milestone is a powerful testament to the enduring strength, stability, and vision that have guided the company since its inception.

The company's culture is that it values hard work, nurtures talent, and fosters continuous learning. It ensures that employees excel in both their professional and personal lives and the management expects the employees to show a high level of professionalism, dedication, and a strong work ethic. It is a place to learn, to lead, and to thrive. I am deeply proud to have grown with this company and to be part of a team that continues to deliver excellence while remaining true to our core values. I look forward to the future with confidence and commitment, knowing the company will continue to be a place where individuals are given the opportunity to evolve and excel. I've been fortunate to work with the right company and most importantly the right people.

I would like to seize the opportunity to express my gratitude and appreciation to the shareholders and whole management team for their continuous support, A big thanks to the whole team members for their dedication, hard work, and positive attitude and willingness to contribute to the company's success.

Let me finish with a quote: "**See all work as spiritual exercise, as an offering. Then, work is transformed into worship.**" - Sri Sathya Sai Baba.

Oomesh Koolomuth

Operations Director

As Dale International celebrates its 25th Anniversary, I feel deeply honoured to reflect on my 17-year journey with this distinguished institution. Starting as a trainee and rising to the role of Deputy Chief Operations Officer, I have had the privilege of growing within what I proudly call a temple of knowledge- an organisation that cultivates talent, rewards dedication and delivers exceptional value to its clients.

Guided by a strong board of directors and surrounded by a passionate team committed to excellence, my time at Dale has been a defining chapter in my professional journey, reinforcing my belief in our purpose and principles. Since our inception, culminating in our 2025 move to a state-of-the-art facility in a prime Mauritius location, Dale's evolution reflects a story of resilience, innovation and unwavering clients' trust. Our ability to anticipate changing client needs- whether in structuring trust or navigating global compliance- has helped earn and maintain our standing as a trusted partner.

For young professionals, Dale is more than a workplace- it is a university of opportunity, where growth is driven by mentorship, hands-on learning and shared knowledge. I have been privileged to support the development of others, just as I was guided early in my own journey. Passing on that expertise is part of the legacy we build together.

As we mark this 25th anniversary milestone, I reflect with pride the path we have travelled and the principles that continue to guide us. This journey has been made possible by the trust of our clients, the dedication of our colleagues and the leadership that drives us forward. As Dale expands its global presence, I remain committed to upholding our mission -building an unrivalled reputation for professionalism and ethical service tailored to our clients' needs and delivering superior financial services and solutions that defined us for a quarter of a century.

Vishwaraj Antyah

Alternate Director

Dale International Trust Company Limited has consistently grown on the foundation of strong values and a client-focused approach. As we mark another anniversary of Dale International Trust Company Limited, it is both an occasion for celebration and reflection. As Director of Legal, Regulatory Affairs and Compliance, I have witnessed firsthand the Company's unwavering commitment to placing our clients' interests at the core of everything we do.

At Dale, we understand that trust is not given, it is earned, and then protected with vigilance. Our longevity and continued growth are a testament to our robust governance structures, strong ethical foundations, and the consistency with which we deliver service excellence. Clients who partner with us do so knowing that they are placing their affairs in the hands of a company that values continuity, security, and foresight. In an increasingly complex global regulatory landscape, Dale remains a firm advocate for proactive compliance and robust legal frameworks. We are fully regulated and licensed by the FSC in Mauritius, and we consistently strive to exceed, not just meet, the required standards.

Regulation is not a hurdle, it is an enabler. It fosters transparency, reduces risk, and ensures that client assets and interests are protected in a sustainable and lawful manner. At Dale, our whole team works tirelessly to ensure that both our internal systems and our client-facing activities adhere to the highest international benchmarks, including anti-money laundering (AML), counter-terrorist financing (CTF), economic substance, and data protection standards. Compliance is more than a duty, it is embedded in our corporate culture. From onboarding and due diligence to ongoing risk assessments and reporting, our procedures are designed not only to meet obligations but to anticipate emerging trends and risks. We continually invest in training, technology, and talent to ensure our staff remain informed and agile in the face of changing regulatory expectations. Our goal is to serve as a partner to our clients, not only helping them remain compliant, but helping them understand the “why” behind the regulations. This empowers them to make informed, responsible decisions that enhance their global standing and mitigate reputational risk.

Our client relationships are built on mutual respect, transparency, and long-term partnership. We are not just service providers, we are stewards of our clients' legacies, wealth, and strategic goals. Whether assisting with complex trust structures, corporate governance, or cross-border regulatory requirements, we act with unwavering dedication to our clients' best interests. We also recognize that our clients' needs evolve, and so must we. That is why we prioritize agility without compromising our principles. Dale offers tailored solutions that are compliant by design and aligned with each client's unique risk appetite, jurisdictional obligations, and long-term objectives.

As we celebrate this anniversary, we do so with gratitude to our shareholders, directors, clients, staff, and partners. Our journey has been defined by integrity, resilience, and an unwavering commitment to doing the right thing, even when it's the hard thing.

We look forward to the future with confidence, knowing that Dale International Trust Company Limited will continue to lead with integrity, operate with accountability, and

serve with heart.

As we enter a new chapter, we remain committed to doing what we do best, earning trust, delivering value, and championing compliance at every turn.

Warm regards,
